Aug 28 Happy Anniversary!

Can you believe it? OS-9 Late Night celebrates its first year this month, and what a year it has been! Don't miss our anniversary get-together, when we review the past year and some of the great conferences we've had, as well as plans for the upcoming year!

Sept 4 UG Vice President of OS-9/6809

Mike Rowen, the UG's Vice President of OS-9/6809, returns to continue with ideas that were discussed last month. With so much to be done to keep the blood flowing in the OS-9 community, you will need to become INVOLVED in any way you can. This is a good opportunity to find out what YOU can do to help the UG, as well as a chance to enlighten us with your own ideas!

Sept 18 See You in Atlanta!

Newton White, from the Atlanta Computer Society, will be here to preview the upcoming Atlanta CoCo Fest (Sept 30 - Oct 1). If you want to know who will be there, how you can get there, and what it's like to be at an Atlanta CoCo Fest, this is the place to be. If you haven't registered to attend, do so now!

Sept 25 Sculptor 4GL+SQL Database

Kurt Johnson, President of The KD Consulting Group, will be available to answer your questions about the Sculptor Application Development System, the highly touted OS-9 database that is used all over! Sculptor is THE database for OS-9 based systems, and runs on over 140 different hardware platforms under several different operating systems. Kurt will discuss some of the possibilities as well as some of the places and companies that currently use Sculptor.
