

Each edition of RAINBOW ON TAPE is simply a collection of the programs which are listed in the corresponding month's issue of RAINBOW magazine. RAINBOW ON TAPE is not a "stand-alone" product, but is intended to be an adjunct and complement to the magazine. That is, even if you purchase RAINBOW ON TAPE, you will still need the magazine for loading and operating instructions.

## \*Machine Language Program

Check the accompanying articles in RAINBOW on using each program. These programs may not run on your system. Please check each program in the magazine for system requirements.

**Special Note:** To exit from the MENU, press the up-arrow key. You may have to press it several times until the screen clears. After using any machine language program (including some BASIC programs), turn your computer off and back on or type POKE 113,0:EXEC 40999 to clear it before loading another program.

(Note: RAINBOW ON TAPE will not run on Dragon or MC-10 computers.)
