WELCOME TO BLOC HEAD
You are the Bloo Head. The goal of the Blue Head is to change the top of each cube to the colour indicated in the top left-hand corner of the screen. You do this by jumping on the top of the cube.

1. Connect the cassette recorder, rewind the tape and press the PLAY button.

2. Place the cassette in the RS-1000 and press ENTER.

3. Type GO and press ENTER.

4. Enter your name and press RETURN.

5. Press the left-hand joystick to move the green player and the right-hand joystick to move the blue player. Each of these players can jump on the top of a cube to change its colour.

6. When the green player appears, you will notice two flashing "Blue Stage" in the bottom half of the screen. The blue stage is followed by a blue player jumping on the top of the screen, if nothing occurs, the blue player will jump off the edge.

7. To move things up more interesting, after the first two stages, the player can turn invisible and make the jump more challenging. Press the button down and up to make the jump more challenging.

8. The game ends after each completed wave. If the player jumps off the edge, the game ends.

9. Press the button to the left of each cube, then press the button to the right of the cube to change its colour.

10. Press the button on the right to jump on the top of a cube.

11. The blue player jumps on the top of each cube to change its colour.

12. Press the button to exit the game.

13. Press the button to restart the game.

14. Press the button to save the game.

15. Press the button to load the game.

16. Press the button to quit the game.
